B5 Objectives – Results – Impacts of the Action

Please elaborate on every individual bullet point separately (maximum 2 pages):

- Environmental benefits and resource efficiency in a life-cycle approach (When evaluating the net environmental benefits, please consider the entire life cycle of the solution proposed (e.g. resources, production, use, and disposal)
- Economic sustainability (incl. cost-benefits)

Note, that you should relate your descriptions to the performance indicators in the second worksheet of Part C Detailed Budget called "Indicators".

B6 Rationale for the Composition of the Consortium

Please elaborate on every individual bullet point separately:

- List of Participants (please complete the following table*):

Participant No.	Participant name	Participant short name	Country	Main Role in Consortium
1 (CO)				
2 (CB)				
3 (CB)				
4 (CB)				
5 (CB)				
6 (CB)				
etc.				

* The numbering and names of the participants should be the same as those used in Part A and Part C. CO: Co-ordinator, CB: Co-beneficiary

- Brief description of the participants and rationale for the composition of the consortium.
- If one of the participants is an association, provide the list of members who will work on the project for the association.

Maximum 1/2 page per participant

B7 Co-financing Sources

- Please explain your co-financing sources. If you plan to invest own funds, please explain why you plan to do so. If you expect co-financing from an external source or 3rd party, please explain why this 3rd party is ready to support your project. Of course you can have a combination of own funding and co-financing by an external source. Please complete the table for each participant individually.
